Any replacement Product or part will be comparable in function, but may not be identical to the original. The replacement or repaired Product is warranted for the remainder of the original warranty period. GE is not responsible for labor and other costs associated with removal or reinstallation.

TERMS AND CONDITIONS: This Limited Warranty is VOID if Purchaser or the user fails to comply with any applicable instructions and recommendations of GE; if any components are replaced with components of other manufacturers; if the Product is not operated together as a system; or if the Product is operated outside the specified electrical values or is subject to abnormal use or stress, including under/over voltage conditions, excessive switching cycles, and operation in environmental conditions (e.g., ambient temperature) outside normal specified operating range. (UL), Standards for the American National Standards Institute (ANSI), in Canada, the Canadian Standards Association (CSA), Europe (CE), Australia (C-Tick).

This limited warranty extends only to Purchaser, but GE will honor, under the terms of this Limited Warranty, valid warranty claims by Purchaser arising from a failure to meet the above warranty when the Product has been resold in new condition and used only by the original end user.

HOW TO MAKE A WARRANTY CLAIM: GE must issue a Return Material Authorization (RMA#) for all requests for warranty review. To make a warranty claim, retain the failed Products and notify your GE sales or customer service representative in writing within thirty (30) days of the failure. After contacting GE and receiving an RMA number, Purchaser shall promptly return the Product after receiving instructions regarding if, when, and where to ship the Product. The Product must be returned within 10 days of receiving RMA number, and the shipping box must be clearly marked with RMA number. Failure to follow this procedure shall void this Limited Warranty. *GE reserves the right to examine all failed Product to determine the cause of failure and patterns of usage and shall be the sole judge as to whether any Product is defective and covered under this Limited Warranty.*
